1. **Applications**

Please contact **each** school for which you wish your daughter to be considered requesting an application form and any other relevant information. **NB: You must complete a separate application form for all schools to which you apply, whether they are in the same group or not.**

The individual schools to which you have applied will then process your application and send you any necessary information. You are strongly advised to attend Open Days at all the schools for which you have applied and you should ring each school early in the Autumn Term for the dates and times of Open Days.

On your application form you will be asked to state at which school you wish your daughter to take the entrance tests. She will be given equal consideration by all the schools in the group to which she has applied. Please note that she may only sit tests at **ONE** school in each group. Lists of candidates are circulated among the schools.

2. **School Reference.** A reference will be requested from the Head of the candidate's school prior to the entrance test.
3. **Specific Learning Difficulties.** Arrangements to use a laptop computer or have extra time in the examination will be made for any candidate for whom a report from an Educational Psychologist, or a recommendation from the Head and Special Needs Co-ordinator of the candidate's current school has been received.
4. **Sample Questions.** Sample question information for the Consortium schools is available from school websites or the registrars of each school.
5. **Interviews.** The Consortium schools make their own arrangements for interviews.
6. **Results of Tests.** These will be made available to the other schools in the consortium to which your daughter has applied. Each of those schools will then consider whether or not to offer a place on the basis of the tests, interview and school reference.
7. **Offers.** Offers will be sent out to parents by all schools in the Consortium on **Wednesday, 2 March 2011**. Some of these offers may be for a place on the waiting list. Information about the position on the waiting list is not given. All girls on the waiting list are considered to have qualified for entry should a vacancy arise.
8. **Acceptances**
Acceptances must be received by the school at which you wish to confirm a place by **12 noon on Friday, 11 March 2011**. If no reply has been received to an offer of a place by that date and time it will be assumed that you do not wish to accept and the place will be re-offered. Once all offers made have been accepted or declined, each school will circulate a list of acceptances to all the other schools in the consortium.

You may not give written acceptance of a place to more than one school.

If you have any problems or queries at any stage in the procedures, the Registrars of the schools in the North London Independent Girls' Schools' Consortium will be pleased to help you. Telephone **020 8340 2328** or send an email to admissions@channing.co.uk to contact the Registrar at **Channing School**.
