	Thursday	17	Y3 Assembly to Parents (8.40am)/Fairseat Hall
	Friday	18	Channing Association Meeting (8.30am)/Fairseat Library

Healthy Schools Week

Never a dull moment at Fairseat! Next week is Healthy Schools Week and we have a full programme of events taking place over the course of the week. On Monday we have Jane Hinne, a triathlete who recently competed with the British Team at the Triathlon World Championships, coming to talk to the girls about being a world-class athlete. She will be accompanied by a member of her support team, Duncan Alexander, who is also her bicycle technician. He will be offering a bike clinic during the day. The girls are welcome to bring their bicycles into school for fixing, maintenance or repair.

On Tuesday and Wednesday, FoodCycle, the charity Fairseat is supporting this term, will be conducting 'Ready Steady Cook' type workshops. In readiness for these workshops please could the girls bring in a piece of fruit that is going to be thrown away (a bruised banana/apple/orange etc, nothing too mouldy or unusable). A box will be available on Monday/Tuesday morning for the girls to put their food items in.

Netball Results

Year 6 played a very courageous match against The Village School but unfortunately lost. Their commitment and perseverance against worthy opponents was commendable.

Well done to our Year 4 netball players who played against South Hampstead School and came out winners. The A team won with a score of 11-0 and the B team won 5-0. This is the girls' third competitive match and so far they remain undefeated! A tremendous effort, congratulations!

Parents' Evening (Thursday 10 March and Tuesday 15 March)

Thank you for returning your slips confirming or changing times of your appointments. You should all have now received confirmation from us of your time slots. If you are in any doubt of your appointment time, please contact the school office where Mrs McInerney will confirm your time slot. We look forward to seeing you all on either the 10 March or the 15 March.

Music at St. Joseph's Church Thursday 24 March 7.30pm

You will have received a parentmail inviting you to 'Music at St. Joseph's Church' on Thursday 24 March at 7.30pm. The invitation states that both Senior and Junior Choirs will be attending and playing at the concert. This refers to the Junior and Senior choirs in the Senior School not the Junior School choir. I apologise for any ambiguity that has arisen from this message. All parents, however, are very welcome to attend.

Miss Louise Tarr

CHANNING ASSOCIATION BULLETIN

Dear Fairseat Families

You will now have realised that the tickets for the **BOLLYWOOD BONANZA**, the annual Fairseat social event, on Saturday 2 April, have gone on sale. Your daughter will have brought home an application form in her bag earlier this week. This can be completed and handed into the office with your cheque. Alternatively, you will find the Reps selling tickets in the forecourt, both before and after school, until the middle of next week. We urge you to act quickly if you would like to come along. Ticket sales have been brisk!

Also in your daughter's bag, you will have found another form for those of you who would like to take the opportunity to support the event by putting an advertisement or a personal message in the brochure. As many of you will recall, the brochure produced for last year's Ball contained both commercial ads and personal messages of support from Channing families and entire Fairseat classes. It also proved to be a fine souvenir of the evening. Anybody interested in taking a space in this year's brochure should alert the Channing Association by 9 March. This can be done by completing the form that you received. The office will have copies of this form if required.

And that's it for this week. Don't forget to buy your tickets!

Best wishes

Helen Mules and Sarah Ozin
Co-Chairs Channing Association
