

## To Parents of Girls in Year 10

### School Examinations 24 – 28 May

School examinations for girls in Year 10 begin on Monday 24 May and finish on Friday 28 May. The Art examination takes place on Friday 21 May and girls not doing Art GCSE may use this time for study at home. Please ensure that you have a copy of your daughter's examination timetable. During the school examination period your daughter may, with your permission, study at home if she is not sitting an examination. Girls who have examinations in the morning **and** afternoon sessions **must** remain in school to study in the interval between examinations. School lunch will be provided.

The school library will be available for use if your daughter is working in school.

I would be grateful if you could return the completed permission slip to me **Monday 10 May**.

Mrs V Atkinson  
Head of Upper School

30 April 2010
