**Classics Tour of the Bay of Naples  
April 2012**

I am delighted to inform you that the Classics Department are organising a very exciting trip to the stunning Bay of Naples during the Easter holidays of 2012. We will leave on Tuesday 10 April and return on Friday 13 April giving us three nights and four days. Our tour will include visits to the buried cities of Pompeii and Herculaneum, a climb up Mount Vesuvius which is the only active volcano on mainland Europe and the museum of Naples with its extensive collection of Greek and Roman art and archaeology. We will be staying in the beautiful coastal town of Sorrento with its tiny cobbled streets and quaint squares. This tour will of course be of enormous benefit to your daughter's Classical Studies and will help bring to life the history and society of the Romans.

The cost of the trip will be no more than £550 which will include air flights, transfers abroad, half board accommodation and entrance to sites. However, this price does remain subject to change as prices for air flights may go up. I need therefore to put down the first deposit as soon as possible to secure flights at the price quoted and would ask that if you would like your daughter to participate on the tour you return the reply slip with a cheque made payable to Channing School for £60 by **Wednesday 25 May**. As there are only 30 places available for this trip, places will be allocated on a first come, first served basis.

Please contact me in school if you have any queries.
