

12 September 2011

Dear Parents

Year 8 girls are being offered the opportunity to have a HPV cervical cancer vaccination at school. There will be three doses over a six-month period with the first one scheduled for September 26th. Your daughter will be bringing an information leaflet and consent form home with her. Please can you return it as soon as possible.

If your daughter is not in Year 8 and missed her vaccinations and you would still like her to have them, she can collect the forms from the medical room. Year 7 will have the opportunity to have the vaccinations next year.

If you have any questions please do not hesitate to contact us.

Kind regards

Chantal Cooper  
School Nurse
