

THE CHANNING BLACK & WHITE DISCO

Saturday 10 March 2012 7.30 pm - 10.00 pm

**** SAVE THE DATE ** VOLUNTEERS NEEDED ****

Its back! One of the highlights in the Channing year, the annual Years 7 + 8 Disco! This major social event is organised by the Channing Association, run and supervised by parents aiming for a fun but safe environment. Years 7 + 8 boys from local schools will also be invited. St John's Ambulance and our caretakers will be present but we also looking to recruit a large team of parent helpers.

To ensure safety, all admission will be by ticket only. Every child who attends the disco will be expected to remain on the school premises until collected at 10pm. The organisers will make every reasonable effort to ensure that those attending do not leave the site before this time but cannot be held responsible for any child who exits before 10pm without permission.

Look out for the Application Form distributed in February to buy tickets priced £7.50. Girls can purchase a maximum of 4 tickets each, inviting their friends too if they wish. It's Black & White theme - don't forget to dress accordingly!

For a safe and successful night, we are asking for parent volunteers (particularly dads for security) to help with a range of activities. If you are able to help, even for a short while, please complete the attached form, or email as below.

Thanks in advance for your help, without which this event could not go ahead.

Carolyn Spinks

On behalf of the Channing Disco Committee

Complete and return to: Sally Delaney, Disco Committee, c/o Channing School by 20 January
