To Parents and Girls in Year 11

Vocational Guidance Careers Test: Autumn Term 2011

I should like to offer girls in Year 11 the opportunity to take part in the Morrisby Vocational Guidance Test series. A flyer has been sent home with your daughter to give details about the tests, alternatively you can find information at www.morrisby.com.

The tests will be conducted for all of Year 11 on Monday 3 October and then sent to The Morrisby Organisation for analysis. Your daughter will then receive a detailed report that will inform you about her abilities and work style, and will highlight any skills that she should focus on developing in the future. In addition, the report will give suggestions about types of work and work environments that could be suitable in the future.

The cost will be £49, which would be added to next term's bill. Please complete the slip below and return to me by Friday 23 September if you wish your daughter to take part.

I shall also be meeting with all girls in Year 11 individually, to discuss their future plans and to assist them with research into Higher Education options.

Yours sincerely

Jill Ogidan
