Dear Parent/Guardian

I am writing to invite your daughter to join Channing School's Theatre Club. This club is designed to give girls in Year 11 and the Sixth Form the opportunity to attend a variety of productions at reduced prices. We will see five plays over the year: with two shows in the first two terms and one in the Summer term. The first trip is to the highly acclaimed production of Arthur Miller's *All My Sons* on 28 September.

I hope that your daughter will take this opportunity to see some of the best current productions, at group rate prices. If your daughter would like to join please could you return the slip below to Mrs Brown as soon as possible. This will be taken as your permission for her attendance at any of the Theatre Club trips this year.

Please note that all girls will be supervised in the theatre, but will make their own way to and from the theatre and are not under the school's supervision while journeying.

The bookings work on a first come, first served basis and when your daughter signs up to attend a particular theatre trip, she will be charged for the ticket.

Yours faithfully

Mrs. Jenny Brown
Head of English
