

MAKING A DIFFERENCE

Bursaries – Support for pupils who would not otherwise be able to attend Channing

Many Channing pupils, past and present, have been assisted by the Bursary fund. However, the funds available are never enough to meet the demands and Channing would like to be in a position to be able to support all requests.

Bursaries are available to all pupils and are assessed by a review of demonstrable financial need. A Bursary can vary in size according to circumstances and may be as high as 100% of fees. Bursaries are awarded according to need and are dependent upon the funds.

By making a contribution to the Bursary fund you will be directly supporting pupils who would not otherwise be able to attend Channing.

Channing is not well-endowed and we dearly hope that the Channing family will join us in supporting the Bursary fund and thus future generations of Channing pupils.

New Facilities

Channing has always been fortunate to occupy landmark buildings in Highgate. However, we are always investing to improve facilities and resources for the pupils.

By leaving a Legacy to Channing to support resources, buildings or pupils your contribution will make a real difference in ensuring Channing continues to be a beacon of educational excellence for generations to come.
