12. We are legally required to provide the Department for Education with certain information about you and your classmates. Some of this information will be stored on the National Pupil Database. Organisations can request information from the National Pupil Database which includes information about you. More information can be found here - <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>

16. If you are from another country we have to make sure that you have the right to study in the UK. Sometimes the government will ask us to provide information as part of our reporting requirements. In addition to this we have a duty to provide information about you to UK Visas and Immigration who are part of the government.
17. Depending on where you will go when you leave us we will provide your information to other schools, colleges and universities or potential employers. For example, we will share information about your exam results and provide references.
18. We may pass on information to your next school which they need to look after you, for example, information about any concerns we have had about your welfare.
19. When you take public examinations (e.g. GCSEs) we will need to share information about you with examination boards. For example, if you require extra time in your exams.
20. The Learning Records Service (which is part of the government) will give us your unique learning number. We may receive details about you (e.g. your qualifications) from the Learning Records Service.

21. We will provide your information to external providers so that they can provide careers advice.
22. The School is sometimes inspected to make sure that we are continuing to be a good school. We will have to make your information available to the inspectors to help them to carry out their job.
23. If someone makes a complaint about how the School has behaved we may need to use your information to deal with this appropriately. For example, if your parents complain that we have not looked after you properly.
24. We may need to share information about you with the police or our legal advisers if something goes wrong or to help with an enquiry. For example, if one of your classmates is injured at School or if there is a burglary.
25. We use consultants, experts and other advisors to assist the School in fulfilling its obligations and to help run the School properly. We will share your information with them if this is relevant to their work.

29. We will monitor your use of email, the internet and mobile electronic devices e.g. iPads. This monitoring is sometimes carried out using computer software. In certain circumstances we will look at the content of your communications (e.g. emails and text messages). We monitor and look at your use of technology (e.g. your use of your phone) to check that you and your classmates are not misbehaving, at risk of harm or for other good reasons. If you would like more information about this you can read the acceptable use of IT and email policy or speak to your form tutor.
30. We may use photographs or videos of you for the School's website and social media sites or prospectus to show prospective pupils what we do here and to advertise the School. We may continue to use these photographs and videos after you have left the School.

If you have concerns about us using photographs or videos of you please speak to your form tutor.

33. We will keep details of your address when you leave so we can send you the School Magazine and find out how you are getting on. The Channing Alumnae Association may also contact you from time to time.

We will only share your information with other people and organisations when we have a good reason to do so. In exceptional circumstances we may need to share it more widely than we would normally.

We sometimes use contractors to handle personal information on our behalf. The following are examples:

- a. IT consultants who might access information about you when checking the security of our IT network and administering our Schoolbase Database
- b. We use third party "cloud computing" services to store some information rather than the information being stored on hard drives located on the School site.

If you have any questions about any of the above, please speak to your form tutor.

### **Our legal grounds for using your information**

This section contains information about the legal grounds that we are relying on when handling your information as described above.

#### Legitimate interests

This means that the School is using your information when this is necessary for the School's legitimate interests or someone else's legitimate interests. We won't rely on this ground when your interests and fundamental rights override our legitimate interests. Specifically, the School has a legitimate interest in:

- Providing you with an education and making sure that you are behaving properly.
- Complying with our agreement with your parents for you to be at the School.
- Looking after you, your classmates and our staff (e.g. your teachers).
- Keeping the school buildings safe.
- Making sure that the School is well managed and that we protect the School's reputation.
- Telling people about the School and what we do here e.g. we may use photographs of you in our prospectus, on our website or in our social media.
- Ensuring that all relevant legal obligations of the School are complied with (for example in relation to inspections).
- Using your information in connection with legal disputes.
- Improving the School e.g. if we want to raise money to build new buildings or facilities or to make sure that we are providing you and your classmates with a good schooling experience.

In addition your personal information may be processed for the legitimate interests of others. For example, we may use information about you when investigating a complaint made by one of your fellow pupils.

The School is relying on legitimate interests for all of the 34 purposes listed above except number 12.

#### Legal obligation

The School might need to use your information in order to comply with a legal obligation, for example, to report a concern about your wellbeing to Children's Services. We will also have to disclose your information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Legal obligation is relevant to the following purposes listed above: 11, 12, 13, 14, 16, 18, 22, 24 and 26.

#### Vital interests

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

#### Performance of a task carried out in the public interest (or carrying out public tasks)

This applies where what we are doing is for the benefit of people generally. The following are examples of where this applies:

- providing you and others with an education;
- safeguarding and promoting your welfare and the welfare of your classmates;
- facilitating the efficient operation of the School; and
- ensuring that we comply with all of our legal obligations.

The School is carrying out a public task in respect of the 34 purposes listed above except numbers: 12, 30, 31, 32, 33 and 34.

The School must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation.

#### Substantial public interest

The School is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example, the School will use information about your health to look after you. We may also use other types of special category personal data about you to provide you with an education, to look after you and your classmates or when the School is inspected. The School is carrying out a public task in respect all of the 34 purposes listed above except numbers: 30, 31, 32, 33 and 34.

#### Employment and social protection and social security law

There will be times when the School needs to use your information because we are an employer (e.g. we employ your teachers). Also the School will use your information to comply with social

protection law (e.g. to look after you) and social security laws. The School is relying on this ground for the following purposes in particular: 2, 6, 11, 18 and 26.

Vital interests:

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Legal claims:

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims and is relevant to purposes 24 and 27 in particular.

Medical purposes

This includes medical treatment and the management of healthcare services. This applies to the following purposes especially: 2 and 6.

### **Criminal offence information**

In exceptional circumstances, we may use information about criminal convictions or offences. We will only do this where the law allows us to. This will usually be where such processing is necessary to carry out our obligations and to look after our pupils.

### **Multiple legal grounds**

As you will see from the table above, in some cases we will rely on more than one ground for a particular use of your information. For example we will rely on legitimate interests and public interest grounds when using your information to look after you and your classmates and when providing you with an education.

The ground that we will rely on for a particular purpose may vary depending on the circumstances. For example, if we decide to tell the local authority something about a pupil because we are worried about their welfare, sometimes this will be because we have a legal obligation to do so but on other occasions we may tell the local authority because we are worried about the pupil even if we don't have a legal obligation to report something (in which case we would be relying on legitimate interests and public interests).

### **Consent**

We may ask for your consent to use your information in certain ways as an alternative to relying on any of the grounds in the table above. If we ask for your consent to use your personal information you can take back this consent at any time.

Any use of your information before you withdraw your consent remains valid. Please speak to your form teacher if you would like to withdraw any consent that you have given.

## **Sending information to other countries**

We may send your information to countries which do not have the same level of protection for personal information as there is in the UK. For example, we may store your information on cloud computer storage based overseas.

The European Commission has produced a list of countries which have adequate data protection rules. The list can be found here:

[http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index\\_en.htm](http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm)

If the country that we are sending your information to is not on the list, or is not a country within the EEA (which means the European Union, Liechtenstein, Norway and Iceland), then it might not have the same level of protection for personal information as there is in the UK.

We will provide you with details about the safeguards which we have in place outside of this privacy notice. If you have any questions about the safeguards that are in place please contact the Bursar.

## **For how long do we keep your information?**

We keep your information for as long as we need to in order to educate and look after you. We will keep some information after you have left the School, for example, so that we can find out what happened if you make a complaint.

In exceptional circumstances we may keep your information for a longer time than usual, but we would only do so if we had a good reason and only if we are allowed to do so under data protection law.

We can keep information about you for a very long time or even indefinitely if we need this for historical, research or statistical purposes. For example, if we consider the information might be useful if someone wanted to write a book about the School.

Please see our Information and Records Retention Policy for more detailed information. This can be found on our website here.

## **What decisions can you make about your information?**

From 25 May 2018 you will be able to make various decisions about your information. Some of these are new rights whilst others build on your existing rights. Some of your rights are listed as follows:

- **Rectification:** if information is incorrect you can ask us to correct it.
- **Access:** you can also ask what information we hold about you and be provided with a copy. This is commonly known as making a subject access request. We will also give you extra information, such as why we use this information about you, where it came from and what types of people we have sent it to.
- **Deletion:** you can ask us to delete the information that we hold about you in certain circumstances. For example, where we no longer need the information.
- **Portability:** you can request the transfer of your information to you or to a third party in a format that can be read by computer in certain circumstances.

- **Restriction:** our use of information about you may be restricted to simply storing it in some cases. For example, if you tell us that the information is inaccurate we can only use it for limited purposes while we check its accuracy.
- **Object:** you may object to us using your information where:
  - we are using it for direct marketing purposes (e.g. [• to send you the School magazine]);
  - the legal ground on which we are relying is either legitimate interests or performance of a task carried out in the public interest. Please see the section "Our legal grounds for using your information" above;
  - we are using it for historical or scientific research purposes or archiving purposes. For example, we may keep photographs of your class for historical reasons.

Your form tutor can give you more information about your data protection rights.

### **Further information and guidance**

This notice is to explain how we look after your personal information. Your form tutor can answer any questions which you might have.

Please speak to your form tutor if:

- you object to us using your information for marketing purposes e.g. to send you information about school events. We will stop using your information for marketing purposes if you tell us not to; or
- you would like us to update the information we hold about you; or
- you would prefer that certain information is kept confidential.

The Bursar is in charge of the School's data protection compliance. You can ask your form teacher to speak to the Bursar or speak to Bursar yourself. Alternatively, you can ask your parents to speak to us on your behalf if you prefer.

If you consider that we have not acted properly when using your personal information you can contact the Information Commissioner's Office: [ico.org.uk](https://ico.org.uk).

- Ensuring that all relevant legal obligations of the School are complied with (for example in relation to inspections).
- Using your child's information in connection with legal disputes.
- Facilitating the efficient operation of the School.

In addition your child's personal information may be processed for the legitimate interests of others. For example, we may use information about your child when investigating a complaint made by another pupil.

The School is relying on legitimate interests for all of the 32 purposes listed above except number 16.

### Legal obligation

Where the School needs to use your child's information in order to comply with a legal obligation, for example to report a concern about your wellbeing to Children's Services. We will also have to disclose your child's information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Legal obligation is relevant to the following purposes listed above: 11, 12, 13, 14, 16, 18, 20, 22 and 24.

### Vital interests

In limited circumstances we may use your child's information to protect your child's vital interests or the vital interests of someone else (e.g. if your child or they are seriously hurt).

### Performance of a task carried out in the public interest (or carrying out public tasks)

This applies where what we are doing is for the benefit of people generally. The following are examples of where this applies:

- providing your child and others with an education;
- safeguarding and promoting your child's welfare and the welfare of other children;
- facilitating the efficient operation of the School; and
- ensuring that we comply with all of our legal obligations.

The School is carrying out a public task in respect of the 32 purposes listed above except numbers: 16, 27, 29, 30, 31, and 32.

The School must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation.

### Substantial public interest

The School is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example the School will use information about your child's health to look after her. We may also use other types of special category personal data about your child to provide them with an education, to look after your child and their classmates or when the School is inspected. The School is carrying out a public task in respect all of the 32 purposes listed above except numbers: 28, 29, 30, 31 and 32.

### Employment and social protection and social security law

There will be times when the School needs to use your child's information because we are an employer. Also the School will use your child's information to comply with social protection law (e.g. to look after your child) and social security laws. The School is relying on this ground for the following purposes in particular: 2, 6, 11, 20 and 24.

### Vital interests:

In limited circumstances we may use your child's information to protect your child's vital interests or the vital interests of someone else (e.g. if your child or they are seriously hurt).

### Legal claims:

The processing is necessary for the establishment, exercise or defence of legal claims. This allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims and is relevant to purposes 22 and 25 in particular.

### Medical purposes

This includes medical treatment and the management of healthcare services. This applies to the following purposes especially: 2 and 6.

### **Criminal offence information**

In exceptional circumstances, we may use information about criminal convictions or offences. We will only do this where the law allows us to. This will usually be where such processing is necessary to carry out our obligations and to look after our pupils.

### **Multiple legal grounds**

As you will see from the table above, in some cases we will rely on more than one ground for a particular use of your child's information. For example, we will rely on legitimate interests and public interest grounds when using your child's information to look after your child and her classmates and when providing your child with an education.

The ground that we will rely on for a particular purpose may vary depending on the circumstances. For example, if we decide to tell the local authority something about a pupil because we are worried about their welfare, sometimes this will be because we have a legal obligation to do so but on other occasions we may tell the local authority because we are worried about the pupil even if we don't have a legal obligation to report something (in which case we would be relying on legitimate interests and public interests).

### **Consent**

We may ask for your consent to use your child's information in certain ways as an alternative to relying on any of the grounds in the table above. If we ask for your consent to use your child's personal information you can take back this consent at any time.

Any use of your child's information before you withdraw your consent remains valid. Please speak to the School Office if you would like to withdraw any consent given.

### **Sending information to other countries**

We may send your child's information to countries which do not have the same level of protection for personal information as there is in the UK. For example, we may store your child's information on cloud computer storage based overseas.

The European Commission has produced a list of countries which have adequate data protection rules. The list can be found here:

[http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index\\_en.htm](http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm)

If the country that we are sending your child's information to is not on the list, or is not a country within the EEA (which means the European Union, Liechtenstein, Norway and Iceland), then it might not have the same level of protection for personal information as there is in the UK.

We will provide you with details about the safeguards which we have in place outside of this privacy notice. If you have any questions about the safeguards that are in place please contact the Bursar.

## For how long do we keep your child's information?

We keep your child's information for as long as we need to in order to educate and look after them. We will keep certain information after your child has left the School, for example, so that we can find out what happened if you make a complaint.

In exceptional circumstances we may keep your child's information for a longer time than usual, but we would only do so if we had a good reason and only if we are allowed to do so under data protection law.

We can keep information about your child for a very long time or even indefinitely if we need this for historical, research or statistical purposes. For example, if we consider the information might be useful if someone wanted to write a book about the School.

Please see our Information and Records Retention Policy for more detailed information. This can be found on our website.

## What decisions can you make about your child's information?

From May 2018 you will be able to make various decisions about your child's information. Some of these are new rights whilst others build on your child's existing rights. Some of your child's rights are listed as follows:

- **Rectification:** if information is incorrect you can ask us to correct it.
- **Access:** you can also ask what information we hold about your child and be provided with a copy. This is commonly known as making a subject access request. We will also give you extra information, such as why we use this information about your child, where it came from and what types of people we have sent it to.
- **Deletion:** you can ask us to delete the information that we hold about your child in certain circumstances. For example, where we no longer need the information.
- **Portability:** you can request the transfer of your child's information to you or to a third party in a format that can be read by computer in certain circumstances.
- **Restriction:** our use of information about your child may be restricted to simply storing it in some cases. For example, if you tell us that the information is inaccurate we can only use it for limited purposes while we check its accuracy.
- **Object:** you may object to us using your child's information where:
  - we are using it for direct marketing purposes (e.g. to send your child the School magazine);
  - the legal ground on which we are relying is either legitimate interests or performance of a task carried out in the public interest. Please see the section "Our legal grounds for using your child's information" above;
  - we are using it for historical or scientific research purposes or archiving purposes. For example, we may keep photographs of your class for historical reasons.

The Bursar can give you more information about your child's data protection rights.
