

# Channing Junior School Bulletin

## **Dear Parents**

We were very spoiled this morning in Señora Bury's *European Day of Languages* assembly, as not only did we learn how to say *good morning* in numerous languages, many spoken by members of our school community; we also learned how animals 'speak' in different countries. For example, cockerels may *cockadoodle* in the UK, whilst in Italy they *chicchirichi*. As much as we love animals, a polite reminder for health and safety reasons, not to bring your pets on to the school premises. I look forward to learning many more new words and phrases this week, whether they are in the human or animal tongue.

## **Whole School Assembly on Friday**

This Friday, all the girls and staff from Fairseat will be going to the Senior School to attend our first whole school assembly for this academic year. Please ensure that your daughters arrive in school punctually so that they are ready to go to their classrooms when I ring the bell at 8.20am. We are very much looking to being part of the larger school community and I know the older girls always look forward to us attending assemblies and other whole school events.

## **Art Competition**

The girls always brighten up my day; now I would like their help in the form of artwork to brighten up my office. Mrs Luxford recently launched *Artist of the Month* in assembly. For the first month, it will be a competition; thereafter, a teacher will nominate the girls' work. The theme for the competition is to submit a portrait of me, Miss Hamalis (Mrs Luxford set this theme). The girls can use any artistic genre, ie. collage, painting, sketching, printing or even sewing. They can post their entries in the postbox outside the DT Room or give them to Mrs Luxford. The winner's work will be framed and displayed in my office. I cannot wait to see the girls' entries although I am sure it will be extremely difficult to select a winner. *Closing date: Monday 1 October.*

## **Netball Gold Medals**

Congratulations to both the Year 6 teams for winning the Highgate Netball Tournament! They all received gold medals. The girls played excellent netball, demonstrating outstanding teamwork. Overall, we finished with seven wins and one draw. Thank you to Miss Corkindale and Miss Bolton for teaching and motivating the girls to be inspirational sports women.

## **Firefly Logins**

I am pleased to hear that many of you have been enquiring about logins and passwords. All the girls will be shown how they can login over the next couple of weeks. The details will then be in their diaries so that you can access information, photos and homework from home.

## **Medical Records on Schoolbase**

Please remember to fill in, check and/or amend your daughter's medical conditions on Schoolbase. It is essential that the information is completed so that the teachers and nurses know how to care for the girls.

## **Positions of Responsibility**

I was delighted to hand out the girls' badges for their Roles of Responsibility in today's assembly. I am sure they will follow the *Channing Promise* by *making the most of this opportunity* and that they will shine as responsible and helpful leaders.

**Unnamed Uniform**

The lost property basket is overflowing with unnamed items, some left here over the summer and others that have been brought in for the new school year. Please ensure that your daughter's uniform is named. When it is, any wayward clothing finds its way back to its rightful owner. Clothes that are unnamed and unclaimed will be donated to the second hand uniform sale at the end of the month.

**Hats, Scarves and Gloves**

As the weather is turning cold, you may purchase these snugly accessories from the school office. The cost is £5.50 for a hat, £6.50 for a scarf and £5.00 for the gloves. This will be added to your termly bill.

**Food Bank**

Thank you to everyone who has already donated items to our Food Bank. We would be very grateful if you could spare an item or two for our collection this month. A tin of tuna or a jar of coffee makes a huge difference when everything is put together. Please see the list of accepted items on the front of the green food bins in the courtyard. Thank you in advance for your support.

**Special Mentions:**

Catherine Stobart: runner up at the U10 mixed singles Tennis competition at Coolhurst Club Championship. She was chosen again to be in the North Middlesex Regional cricket team.

Phoebe Rainbow Cornish-Hobbs: Distinction in her Solo Introductory Stage Three, LAMDA exam.
