

ACCESSIBILITY PLAN 2018-2022

From 2002, the school has three key duties towards disabled pupils, under Part 4 of the DDA:

- not to treat disabled pupils less favourably for a reason related to their disability
- to make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage
- to plan to increase access to education for disabled pupils

A new plan is in place for 2018-2022

The Bursar is responsible for producing a plan which is accessible to staff should they wish to view it.

External consultants are regularly engaged to advise on improvements to access. Many of these recommendations are included in the plans.

The Bursar is responsible for this policy.
