Our vision:

Girls Enjoying Success

Our mission:

We foster fearless learners through inspiring education, exceptional co-curricular opportunities and meaningful partnerships, creating bespoke outcomes for every child: “Each of us is intended to have a character all our own, to be what no other can exactly be and do what no other can exactly do.” (William Ellery Channing)

Our Unitarian ethos encourages our pupils to be intellectually curious, open-minded and respectful. We build on the power of an all-girls education to develop kind, confident, articulate young women who are ready for life's challenges.

Girls at Channing enjoy academic success from a tailored educational programme that encourages confidence, independent thinking and provides girls with life skills to take on the next stage of their education as thoughtful, responsive, socially aware adults, prepared for the challenges of the world today.

This emphasis on bespoke outcomes is at the heart of our five new strategic objectives, which you can find here: [Channing 2035](#).

Founded in 1885 by Unitarian sisters Emily and Matilda Sharpe and the Reverend Robert Spears, Channing School, named after notable American Unitarian William Ellery Channing, is well known as a successful, happy community. Remaining true to our Unitarian foundation, the School is an inclusive community that values the individual skills, spiritual beliefs, achievements and contribution of all members of the school community.

Academic achievement

Academic results are excellent. Virtually all our sixth formers go on to University or other higher education institutions, some after a gap year. However, we believe that examination success is not solely the end goal of a pupil's journey through school, rather that it should be an enriching academic and extra-curricular experience that allows girls to develop skills, confidence, creativity and character, instilling in pupils a lifelong love of learning and a firm belief that anything is possible. Experienced, dedicated teachers offer a supportive, encouraging and challenging learning environment that allows pupils to achieve success beyond that which they might have thought possible.

Community spirit

The Headmistress and members of staff know every girl personally and as an individual. We have a strong family tradition and an enthusiastic and supportive parents' association. The atmosphere is calm, focussed and purposeful. We set high standards emphasising concern and respect for the needs

of others. A major feature of the school is the huge diversity of the extra curricular activities on offer to pupils and it is expected that all staff will contribute to this side of the life of the school.

Exceptional setting

The school is in an attractive part of Highgate, with convenient transport links by road and underground. Visitors are often surprised at how light, green and open our site is. We have preserved the character of the older buildings, but completely refurbished and redesigned them to provide bright and spacious teaching rooms. An ambitious building programme, completed in 2017, provided us with excellent dining facilities, a Music Department, a new Sixth Form Centre, Sports Hall with fitness suite and a state-of-the-art Performing Arts Centre. We are currently developing a STEM building complete with DT facilities which is due for completion in Summer 2026.

Teaching & Learning

Channing is a collaborative learning community. We provide an excellent and relevant T&L CPD programme that inspires all staff and pupils to achieve their full potential. We support the ongoing development of outstanding teaching and learning which stimulates and challenges all pupils.

Our current whole school Teaching and Learning focus is on developing Fearless Learners. We believe that it is possible to teach pupils to

become more confident, proactive, independent learners in such a way that they become more courageous, fearless learners. To this end we have worked with both teachers and pupils to develop a range of resources that support us all to become more fearless in our learning. These include:

- An Infographic generated from discussions with all teachers ~ [What do Fearless Teachers look like at Channing?](#)
- A student-friendly Infographic based on what our student body thinks [Fearless Learners look like at Channing](#)

'Spotlight' is Channing Senior School's Teaching & Learning publication. It supports the professional development of our teaching staff. It is distributed twice monthly and focuses on the development of classroom practice and current educational research. All teaching staff are encouraged to contribute, and it reflects our commitment to being a collaborative, learning community. Recent titles include: *Behaviours for Learning, Positive Framing & Language, Cold Calling, How to use iPads as Show-Me Boards and What the Learning Pit looks like in my subject*. The Spotlights can be [found on our website](#).

T&L Briefings are held every other Monday. These are an opportunity for teaching staff to come together to discuss educational research and how it might impact on their pedagogy. Recent themes have included: *The role and importance of powerful, probing questioning and The Learning Pit*.

At Channing, we acknowledge that each teacher has their own style but that pupils make the most progress when teachers plan lessons that focus on learning. We believe that great Teaching & Learning cannot be achieved by following a recipe, but there are some clear pointers in the research to

approaches that are most likely to be effective. That is to say there are clear, recognised 'moves' of the 'Expert Teacher' that make pupil progress and learning more likely. These 'moves' are reflected in our Principles of Great Teaching and Learning: [PDF Spotlight ~ OnePager \(1\).pdf](#).

Channing is a Google School and all teaching staff are issued with an iPad and a laptop. Students are issued with their own iPads (Years 7-9) and Chromebooks (Years 10-11). They are free to use these devices or bring their own devices (usually laptops) in the Sixth Form.

Drama at Channing

This is an exciting opportunity for an enthusiastic Drama teacher to lead a committed, hard-working and dynamic department for 1 term of sabbatical cover for the current post holder. This will include responsibility for the casting and direction of the senior school play in November 2026.

Drama is part of the timetabled curriculum for Years 7 & 8, and a popular option in Year 9 with more than 70% of the year group taking it in 2025-26. It is a GCSE option at KS4 (EDUQAS), with 3 groups in Year 10 (nearly 50% of the year group) choosing it this year, and offered as Drama

and Theatre at A Level (EDUQAS) Exam performances and productions require evening and weekend work for both rehearsals and performances. There are frequent visits to professional productions, both matinee and evening performances.

Whole school musicals take place biannually, alternating with a KS4&5 production. Each year, students in Years 7-9 are invited to audition and perform in the Summer term KS3 production. There are other extra-curricular opportunities such as LAMDA lessons for Year 7, 8 and 9 students, led by the Head of LAMDA and a visiting LAMDA teacher, and Drama Clubs at lunchtime for Year 7 and 8 led by enthusiastic Sixth Formers and supported by staff. In addition to the Director of Drama, staffing includes a full time Drama specialist and a part-time English and Drama teacher, as well as a part-time Drama teacher currently being recruited. The running of the department and productions are supported by the Theatre Manager and a Costume/set designer as required.
