Our vision:

Girls Enjoying Success

Our mission:

We foster fearless learners through inspiring education, exceptional co-curricular opportunities and meaningful partnerships, creating bespoke outcomes for every child: “Each of us is intended to have a character all our own, to be what no other can exactly be and do what no other can exactly do.”
(William Ellery Channing)

Our Unitarian ethos encourages our pupils to be intellectually curious, open-minded and respectful. We build on the power of an all-girls education to develop kind, confident, articulate young women who are ready for life's challenges.

Girls at Channing enjoy academic success from a tailored educational programme that encourages confidence, independent thinking and provides girls with life skills to take on the next stage of their education as thoughtful, responsive, socially aware adults, prepared for the challenges of the world today.

This emphasis on bespoke outcomes is at the heart of our five new strategic objectives, which you can find here: [Channing 2035](#).

Founded in 1885 by Unitarian sisters Emily and Matilda Sharpe and the Reverend Robert Spears, Channing School, named after notable American Unitarian William Ellery Channing, is well known as a successful, happy community. Remaining true to our Unitarian foundation, the School is an inclusive community that values the individual skills, spiritual beliefs, achievements and contribution of all members of the school community. Our success was endorsed by [our latest ISI inspection in November 2025](#).

Academic achievement

Academic results are excellent. Virtually all our sixth formers go on to University or other higher education institutions, some after a gap year. However, we believe that examination success is not solely the end goal of a pupil's journey through school, rather that it should be an enriching academic and extra-curricular experience that allows girls to develop skills, confidence, creativity and character, instilling in pupils a lifelong love of learning and a firm belief that anything is possible. Experienced, dedicated teachers offer a supportive, encouraging and challenging learning environment that allows pupils to achieve success beyond that which they might have thought possible.

Community spirit

The Headmistress and members of staff know every girl personally and as an individual. We have a strong family tradition and an enthusiastic and supportive parents' association. The atmosphere is calm, focussed and purposeful. We set high standards emphasising concern and respect for the needs

of others. A major feature of the school is the huge diversity of the extra curricular activities on offer to pupils and it is expected that all staff will contribute to this side of the life of the school.

Exceptional setting

The school is in an attractive part of Highgate, with convenient transport links by road and underground. Visitors are often surprised at how light, green and open our site is. We have preserved the character of the older buildings, but completely refurbished and redesigned them to provide bright and spacious teaching rooms. An ambitious building programme, completed in 2017, provided us with excellent dining facilities, a Music Department, a new Sixth Form Centre, Sports Hall with fitness suite and a state-of-the-art Performing Arts Centre. We are currently developing a STEM building complete with DT facilities which is due for completion in Autumn 2026.

Teaching & Learning

Channing is a collaborative learning community. We provide an excellent and relevant T&L CPD programme that inspires all staff and pupils to achieve their full potential. We support the ongoing development of outstanding teaching and learning which stimulates and challenges all pupils.

Our current whole-school Teaching and Learning focus is to develop a culture of ambitious and inspirational teaching, alongside a shared understanding of every pupil and how best to support them. Central to this is our use of the [Learning Pit](#), which recognises that deep learning involves challenge and productive struggle, and that pupils make the greatest progress when they are supported to persevere through difficulty.

To promote consistently excellent teaching across the school, we have developed the [Principles of Great Teaching at Channing](#) and the accompanying Trusted Techniques. Together, these provide a shared understanding of what high-quality teaching looks like in practice, using a common professional language. They reflect both educational research and our collective expertise, and emphasise teaching that stretches pupils intellectually and supports them to move from challenge to secure understanding.

In recent years we have had a focus on developing *Fearless Learners*. We believe that it is possible to teach pupils to become more confident, proactive, independent learners in such a way that they become more courageous, fearless learners. To this end we have worked with both teachers and pupils to develop a range of resources that support us all to become more fearless in our learning. These include:

- An Infographic generated from discussions with all teachers ~ [What do Fearless Teachers look like at Channing?](#)
- A student-friendly Infographic based on what our student body thinks [Fearless Learners look like at Channing](#)

'*Spotlight*' is Channing Senior School's Teaching & Learning publication. It supports the professional development of our teaching staff. It is distributed twice monthly and focuses on the development of classroom practice and current educational research. All teaching staff are encouraged to contribute,

and it reflects our commitment to being a collaborative, learning community. The most recent Spotlights can be [found on our website](#).

T&L Briefings are held every other Monday. These are an opportunity for teaching staff to come together to discuss educational research and how it might impact on their pedagogy. Recent themes have included: *Protecting Thinking in the Learning Pit, Questioning that Deepens Learning, AI & Tech: Pedagogy First, Integrity, Intelligence, Creativity, and Safety and Strong Starts to Lessons Protect the Flow*.

The *TLC* is our *Teaching & Learning Community*. It is open to all teaching staff. We meet about once a month. It leads on a number of initiatives which support the development of T&L across the school. These include a Journal Club, systems for teachers to share learning with each other, peer observation and the curation The Teaching and Learning Knowledge Interactive Toolkit.

Drama at Channing

On the internal promotion of a member of the department to a middle leadership position, this is an exciting opportunity for an enthusiastic Drama teacher to join a dynamic, hard-working and friendly department. The position would suit a more experienced teacher and will involve teaching Year 7-9 primarily. Availability on Mondays and Tuesdays is highly desirable, with a third day a possibility later in the week. Part of the job role includes supporting directing and assistant directing school productions.

Drama is part of the core timetabled curriculum for Years 7 and 8, and is a very popular option at Year 9. It is a highly regarded GCSE option at KS4 (EDUQAS) and offered as Drama and Theatre at A Level (EDUQAS). Classes at GCSE and A level are small and there are high standards set both for behaviour and for achievement throughout the school. Exam performances and productions require evening and weekend work for both rehearsals and performances. There are frequent visits to professional productions, both matinee and evening performances.

Whole school musicals take place biannually, alternating with a KS4&5 production. Each year, students in Years 7-9 are invited to audition and perform in the Summer term KS3 production. There are other extra-curricular opportunities such as LAMDA lessons for Year 7, 8 and 9 students, led by the Head of LAMDA and a visiting LAMDA teacher, and Drama Clubs at lunchtime for Year 7 and 8 led by enthusiastic Sixth Formers and supported by staff. In addition to the Director of Drama, staffing includes a full time Drama specialist and a part-time English and Drama teacher, as well as a part-time Drama teacher currently being recruited. The running of the department and productions are supported by the Theatre Manager and a Costume/set designer as required.

Art, Drama and Music are all strong at Channing and mutually supportive: girls are highly creative and relish all opportunities for performing, great or small. The completion of The Arundel Centre, a state of the art working theatre, has enhanced the possibilities for a greater range of drama-related activities.
